cartography map Belgium Admin The cartographic history of Oregon as a place in the Pacific Northwest began long before European visitation to the region. Mapmakers initially conceptualized the presence of a separate North American continent in 1507, some 234 years before the first recorded sighting of a landmark on the Pacific Northwest coast in 1741 and 315 years before the word Oregon identified a region on a map in 221 as much about following your own path in life as it is about taking detours to discover new maps of Beaverton.
