History of Cartography Matthew H. Edney Introduction Until the 1980s, the study of the history of cartography was defined by two idealizations: (1) that maps are strictly factual statements and (2) that cartography is an innately progressive science that serves as a surrogate for Western civilization as a.

Are we still prepared to accept different realities or is the contemporary city only held up by certainties consolidated by time and custom? In fact, by rights this area on the outskirts of the town centre should deserve a place on a tourist map of Milan ..
